Mr. Nuetzmann,

Thank you for your comments. While the programmatic HPA for which we are applying does not include beaver relocation, there is a possibility that beavers may need to be removed from wildlife areas at some point. I will let all of the wildlife area managers within the ceded area know of your interest in relocating beavers and share your contact information with them.

Thank you.

Mr. Zeigler:

Attached are comments from the Yakama Nation regarding WDFW's proposal regarding beaver maintenance on WDFW properties. I will be sending an original signed hard copy to you through the mail as well.

Thanks,
